The builders sign.

I asked the guy in the dumpster, "Is this Dick Cheney's house?"

He replied nervously, "I'm not sure."

A non-denial denial if ever I heard one. Is he taking lessons from Cheney?

Same guy in the dumpster. The Chinese gardener, who was working in yard across the street and who was extemely affable confirmed that it was Dick Cheney's house.

Me: "Do you know who lives there?"

Gardener pointing:" Vice-President!"
